

Macca

CONGRATULATIONS ON 100 GAMES

- **Macca what does playing 100 games for the UFC mean to you?**

It's a great feeling, I will be proud to see my name on the board in the AJ especially next to all the great names up there.

- **Why did you come to the Great UFC?**

I didn't go to UWA but a few of my JTC mates did so I thought I would come down and check it out with them and its definitely one of the best decisions I have made I have loved every minute down at the club since

- **Who are the coaches you have had in your time at the club and can you tell us a bit about each of them?**

Tim Hawkins (colts)- Made our introduction to the uni footy club really easy and very enjoyable

Laef Allen and Dave Lee (colts)- Great guys who really showed us what fun footy can be with your mates, both good players too and really miss running out on the field with them.

Andrew Mason- Was my first Dingos coach and put a lot of effort into the team, had a very enjoyable few seasons with mase especially since he was the one who started playing me up forward and not ruck

Jordon Owenell and Trent Smoker- Both do it for their love of the Dingos and their commitment is second to none, without them we would not have been Premiers the past few seasons

- **Speaking of people in positions of authority, we are lead to believe the person who claims to be your boss is the Dingoes Full Forward, Plugga Lawton. Please tell us a bit about him and his unconventional choice of attire at building sites?**

Johnny Lawton is one of my best mates and one of the entertainers down at the club, he talks a lot of shit but what comes out is usually hilarious just like his choice of attire on site. He is known by a few as farmer wants a wife due to his expensive flannel shirts tucked into his skin tight jeans and his pointed leather italian shoes which recently led to one of the tradesman mistaking him as one of our male clients boyfriends.

- **What is the biggest bag you have ever kicked?**

11 a couple of years ago, it helped I was playing on someone half my size

- **You have been known to be called the ‘white aboriginal’ taking spectacular marks and kicking remarkable goals from impossible angles every week, can you give us a run down of your personal best from the highlights archive?**

It would have to be getting best on ground in the Grand Final in 2007 against CBC and kicking 3 goals. Two beyond 50m which I have failed to replicate since, must have been a strong wind that day

- **A former state of origin captain (Noel Carter) once said you were too flamboyant for the game, what words do you have for him now after reaching 100 games for the UFC?**

Noel who? I don't pay attention to hacks

- **Being told you look like Osama Bin Laden or Ian Thorpe, which is more annoying?**

I will take bin laden anyday he is the lesser of those two evils

- **How do you feel about looking like so many people?**

Might come in handy one day for an alibi

- **If you had to play somewhere else; full back or ruck?**

Ruck definitely way too much pressure at full back

- **Ruck or aids?**

That's ridiculous hubbard, what do you prefer cheese or ali

- **Why is indoor soccer a better game than aussie rules?**

I have never said that, but I have saved the flamboyance for the soccer pitch now which should please Carter

- **Greatest player you have seen to pull on the UFC Jumper?**

Of what I watched last year of A Grade Steve Woods was awesome but since I have been a dingo from colts there are a lot of great players I have played with, to name a few Nels, Franko, Booga, Bully, Hubb, Growds, Cooky, Smokes, Wooda, Small Fwd, GP, Cat, Danza i could keep going but I will stop there

- **Greatest UFC team you have been involved with?**

The past two Grand Final teams were great and the year we were coached by Laef and Dave was very memorable

- **Greatest Victory you have been involved in?**

The win against Nth Freo in the finals a couple of seasons ago when we had a large crowd down at mosman park oval and it came down to the final few minutes was probably the most thrilling

- **Playing with the Dingoes, you've played with a fairly weird bunch of blokes including The Krabfish. Who is the Most Memorable Player you have played with and why?**

The Moot, there is a reason everyone puts him as this answer he really was the weirdest bloke you will ever meet

.

- **Who do you sit next to on the bus trips both there and back?**

If you sit near Bully your bound to have a good bussy

- **Who do you sit next to in the change rooms?**

Nelson

- **Favorite Movie, Food, Beverage?**

The three S's Shawshank Redemption, Sausage Rolls, Solo

- **Funniest situation on the field?**

Lawto's cartwheel in front of the crowd is very memorable

- **What would you say are the strengths of your game, apart from using your Usain Bolt-esque pace to outrun smaller opponents?**

Marking, Set shots for goal

.

- **And the weaknesses?**

Laziness, Physicality in the ruck, Shots on the run

- **Where do you see yourself in 5,10 and 20 years?**

5 – Still a Dingo, hopefully earning some good money

10 – Watching Dingos or depending if my body allows it playing

20 – Watching junior Macca playing footy

- **Word Association. What do you think of when I say the following?**

Simon Growden - Goal Square

Neil Donaldson – PPP

Tom Hubbard – Chelsea Pizza

Matt Franklyn – Allegros Pizza

Nelson Aylmore – Amplifier Friday night then best on ground Saturday

Bus Trips – Bully

Best of luck for your 100th game and let's celebrate with a great win!
